Educational Objectives:

At the completion of this program, the participant will be able to:

- List and describe the different generations of people in the workplace today
- Summarize the differences between older workers and young workers with regards to:
 - Work ethic
 - Work/life balance
 - Career expectations
 - Communication styles
 - Training viewpoints
 - Technology utilization
 - Rewards and compensation
- Describe the ACPE expectations regarding active learning
- Demonstrate how active learning concepts can be utilized by the preceptor
- Describe how a preceptor can design a rotation utilizing active learning
- Summarize the recent changes made in the student rotation requirements and explain the reasons for these changes.
- Describe the benefits of utilizing the electronic evaluation forms for students within the current PEMS (Pharmacy Education Management System)

Statement of Accreditation
ACPE Program #062-000-08-072-L04-P

The South Carolina College of Pharmacy (USC Campus) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of Continuing Pharmacy Education. This program will be accredited for 6 contact hours (0.6 CEUs). CE Statements will be sent to participants within 4 weeks.
